

The Bellavista Ristorante

AND PIZZERIA

Bella Vista

the perfect wedding venue

Bellavista

Ristorante ...the perfect place

Bellavista first opened in 1982, the building dates back to the 18th Century when it was built as a cattle barn and maintains many of the original features. Nowadays, Bellavista provides good quality food and wine in a relaxed atmosphere, and is one of the longest running Italian restaurants in North Manchester.

Bellavista has stunning views over the surrounding Pennines, and enjoys beautifully maintained, south facing gardens including its own Mediterranean Olive grove.

As part of the San Rocco Group, this family run business has been catering to the individual needs of our customers since the early 1970s, and has developed a reputation for excellent customer services.

At the Bellavista there is a choice of two venues. At both venues we will cater to your needs and will ensure that your day is tailored especially for your requirements, to make your special occasion a truly memorable and successful event.

The Bassvista is located on the lower ground floor and is suitable for up to 50 guests. Bassavista is ideal for intimate family reunions, small weddings or business meetings.
